

The New Jersey Department of Community Affairs, State Inspections Program bureau is responsible for cyclical inspections and compliance inspections of hotels, motels, and multiple dwellings in 487 municipalities within the State of New Jersey.

- Bed Bugs, insects and vermin complaints
- State Inspection Section – 609-633-6241

The responsibility rests with the local health authority and with the NJDCA State Inspections Program for hotels, motels and multiple dwellings. If you wish to contact the NJDCA State Inspections Program they can be reached @ 609-633-6241. http://www.state.nj.us/dca/codes/bhi/bhi_prog_u.shtml
